COMPANY OVERVIEW

PRO-TECH Design & Manufacturing, Inc. is a full-service, FDA and ISO 13485-certified medical device contract manufacturer. For over 40 years, our family-owned company has created custom and pre-validated packaging and assembly solutions for medical device customers.

THREE LOCATIONS

We have three manufacturing locations in key medical device markets — California, Minnesota, and Texas with over 100,000 sq ft of manufacturing space.
